Commentars / corrections

|-------------------|---|
| Géraldine Frey | Calls too early, but doesn't break even if Muji is close by. Good, but Muji runs too long with arm behind |
| Mujinga Kambundji | Receiving : cuts too deep inside but accelerates well. Flying time is crazy good |
| Salomé Kora | Receiving : Doesn't cut deep enough. Calls and gives really well |
| Ajla Del Ponte | Very good. Flying time is really good |
